It provides one with an additional increase in energy, detoxifies the liver, improves the skin condition, and slows down ageing process. Thus it succeeds in giving you naturally fresh looks. Suitable for: Anti-ageing and detoxifying

### Sports Drip Boost £180

About: Sports Drip Boost is the ultimate blend of essential amino acids that might assist in boosting up your athletic performance. Every component added in this drip has a certain role to play. Leucine, one of the ingredients of this drip, stimulates muscle growth as well as recovery, thus making it perfect fuel for the muscles of your body after excessive activity such as playing a cricket match, running a marathon, etc. Glutamine present in this drip is helpful in removing the toxic by-products that are formed during heavy and strenuous activity. It also improves the metabolism of protein and supports muscle growth. Ornithine reduces fatigue and helps remove toxins and waste products. Suitable for: Fitness enthusiasts, post marathon, during and after sports matches, athletes, gym training, and many more. Drip Specific Detail: The ingredients of this drip include Glutamine, Leucine, and Ornithine.

**Drip Package: Book 6 Drips and get the 7th one absolutely FREE!**  
\*Vitamin Drips are administered intravenously (IV) and hence require 30 minutes.

## PREMIUM DRIP

### Mega Drip £250

About: This is a pack of 2 IV Vitamin Drips. The first Drip majorly consists of Vitamin C, whereas the second Drip is a Special Drip Boost cocktail consisting of essential immune acids. These boost up your immunity to a great extent. Vitamin C, also known as Ascorbic acid, is an excellent antioxidant. It prevents cellular as well as DNA damage. Thus, we make the most of this extremely useful vitamin in the first Drip. This Mega Drip, other than these two components, also consists of a multitude of high doses of vitamins. This ensures you get a better and boosted immunity, metabolic energy, neuro-function, and faster cell recovery after getting this Drip. It also detoxifies your body. Vitamin B complex is also present in this Drip, making it an ultimate immunity booster. Suitable for: People requiring a powerful and amazing blend of vitamins and amino acids and looking out to get an ultimate boost.
